

Lesson 1.4: SQL in Notebooks

# DISTRIBUTED COMPUTING WITH SPARK SQL

SQL in Notebooks

**Brooke Wenig**  
Machine Learning Practice Lead  
Databricks

**UC DAVIS**  
Continuing and Professional Education

Slide 2: Welcome Back

## Welcome Back!

Demonstrate using an SQL notebook to  
create a database and a table

Slide 3: Learning Objectives

## Learning Objectives

Compute aggregate statistics against this table

Create visualizations using Databricks Community Edition product
